IMPORTANT INFORMATION AND CLIENT CONSENT: Please read and sign at the end stating you have fully read and understand the information below:

CLIENT/THERAPIST RELATIONSHIP: You and your therapist have a professional relationship existing exclusively for therapeutic treatment. This relationship functions most effectively when it remains strictly professional and involves only the therapeutic aspect. Your therapist can best serve your needs by focusing solely on therapy and avoiding any type of social or business relationship. Gifts are not appropriate, nor is any sort of trade of service for service.

AVAILABLE SERVICES: Transforming Tomorrows Counseling Center offers a wide array of counseling services, including individual, family, couples, and group services. We are staffed by skilled and experienced licensed professional counselors and counselor interns. Effective psychotherapy is founded on mutual understanding and good rapport between client and therapist. It is our intent to convey the policies and procedures used in our practice, and we will be pleased to discuss any questions or concerns you may have.

RISKS AND BENEFITS: Counseling and psychotherapy are beneficial, but as with any treatment, there are inherent risks. During counseling, you will have discussions about personal issues which may bring to the surface uncomfortable emotions such as anger, guilt, and sadness. The benefits of counseling can far outweigh any discomfort encountered during the process, however. Some of the possible benefits are improved personal relationships, reduced feelings of emotional distress, and specific problem solving. We cannot guarantee these benefits, of course. It is our desire, however, to work with you to attain your personal goals for counseling and/or psychotherapy.

COUNSELING: We provide short-term counseling designed to address many of the issues our clients are dealing with. Your first visit will be an assessment session in which you and your therapist will determine your concerns, and if both agree that Transforming Tomorrows Counseling Center can meet your therapeutic needs, develop a plan of treatment. Should you choose not to follow the plan of treatment provided to you by your therapist, services to you may be terminated.

The goal of Transforming Tomorrows Counseling Center is to provide the most effective therapeutic experience available to you. If at any time you feel that you and your current therapist are not a good fit, please discuss this matter with your therapist to determine if transferring to a more suitable therapist is right for you. If you and your therapist decide that other services would be more appropriate, we will assist you in finding a provider to meet your needs.

Wellness is more than the absence of disease; it is a state of optimal well-being. It goes beyond the curing of illness to achieving health. Through the ongoing integration of our physical, emotional, mental, and spiritual self, each person has the opportunity to create and preserve a whole and happy life. Our services are designed to provide our clients an integrated solution for their mind, body, spirit, and life to enhance their lives and resolve issues.

APPOINTMENTS: Appointments are typically scheduled on a weekly basis and are approximately 50 minutes long. More frequent sessions or an intensive outpatient schedule are available if determined appropriate by your therapist. If you must cancel or reschedule your appointment, we ask that you call our office at 214-762-5617 at least 24 hours in advance, whenever possible. This will free your appointment time for another client. Without 24 hours notice, you will be charged for your appointment.
